Systemic Executive Coaching, Executive Team Coaching and Organizational Coaching coaching sistemic, coaching de echipa, coaching organizational

Metasysteme's

solid reputation rests on a long history (since 1979) of satisfied clients who have enjoyed our very practical, operational, results and performance-oriented individual, team and organizational systemic coaching approach.

Metasysteme is an international network of trained independent coaches who share a common vision and purpose, personal and professional ethics, extremely performing skills and tools, a foundational systemic coherency, and who just love to collaborate in common organizational coaching programs.

Metasysteme is an interantional provider of individual, team and organizational coaching, and I.C.F.-validated learning programs to acquire coaching skills applied to meet all personal and professional-developement concerns

Metasysteme exists at the crossroads of systemic coaching, organizational-development, behavioral skill-oriented training and strategic consulting.

Internationally, for each and every individual, leader, executive team, board, network and organizational client, we accompany strategic individual and collective development.
